YOU ARE THE FUTURE

“I decided to work towards my Associate of Arts degree in indigenous early learning education, and my experience inspired me to fortify my cultural knowledge and implement it within our younger generation. I strongly believe our youth are the key to restoring our Iñupiaq identity ...and I am honored to be a part of their guidance.”

BE A LEADER

“I received my Associate degree of applied science in telecom electronics and computer technology. I am currently working as the senior systems analyst at Cook Inlet Housing Authority. I would like to say to the young shareholders, ‘No matter where you are from or where you grew up, with time and effort you can make your career happen. You are the next generation of leaders.’”
