Early Childhood Education

The AEF's Early Childhood Education program is making a big impact on our children. It's about more than just education; it's about providing a strong foundation for our children's future success.

We are grateful for our partners who make this program possible: Alaska Career College, Alliant International University, University of Alaska Anchorage, University of Alaska Fairbanks, and Alaska Pacific University.

We look forward to continue supporting our students and preparing them for success in their future. Thank you for your continued support.

Sincerely,

Quyanaqpak (thank you very much) for all you do for the students of Arctic Education Foundation.

2017 GRADUATES

- Kristian Kasayulie
- Kimberly MinnieMae Pikok

Arctic Education Foundation has helped me establish a firm career foundation and is really close to me, but I didn't know until a year ago that I would be the captain of our very own Lady Whalers basketball team. The Ivalu Scholarship was created to honor eligible applicants who are making noteworthy and influential contributions to Alaska Native governance, and it provides an opportunity for students to contribute to the future of their community.

So far in 2017:

1. Alaska Native Governance
2. Undeclared
