

At-Large High School Scholarship Award

Your education is the key to our success!

Arctic Education Foundation (AEF) awards annual scholarships to graduating at-large high school seniors who are ASRC shareholders or descendants of original ASRC shareholders. These awards are to be used for college or training expenses, and are in addition to other funding available through AEF.

The At-Large High School Scholarship Award will be made only to qualified AEF applicants, who at the time of award: (a) have attended one (1) or more years of high school; (b) are seniors graduating from high school; and (c) plan to continue their education by enrolling in a qualified postsecondary educational institution or training facility. This is a one-time award.

Six (6) At-Large High School Scholarship Awards will be awarded each year in the amount of \$2,000 each. Candidates must display superior academic performance, demonstrated leadership ability and/or community service achievements. Superior performance, ability and/or achievement requirements will be measured by objective criteria (e.g. grade point average, essay, leadership positions held or service projects performed, letters of recommendation, etc.)
