V. Operating Requirements & Procedures Set Forth in the AEF Bylaws

All operating requirements and procedures set forth in the AEF Bylaws, including without limitation, the following, are hereby incorporated by reference into these current Operation Procedures:

- A. Recipient Reporting Requirements: each AEF award recipient must, as a condition of eligibility, promptly deliver to AEF a report of courses taken, if any, and grades received, if any, for each academic period. Such a report must be verified by the educational institution attended and must be obtained for each semester, quarter or other academic period and in no case less often than once per academic year. In cases of recipients whose study at an educational institution does not involve the taking of courses but only the preparation of research papers or projects, such as the writing of a doctoral thesis, the corporation must receive a brief report on the progress of the paper or project at least once per academic year. Such a report must be approved by the faculty member supervising the recipient or by another appropriate institutional official. Upon completion of a recipient's study at an educational institution, a final report must also be obtained by the recipient and submitted to AEF.**
- B. Procedures For Investigating and Recovering Jeopardized AEF Awards: When the reports required to be submitted by an AEF award recipient or other information obtained (including a recipient's failure to submit a required report) indicate that all or any part of an AEF award is not being used in furtherance of the purposes of such award, such discrepancy will be investigated by AEF staff. While the investigation is in progress all further payments to such recipient will be withheld to the extent possible until (a) any delinquent reports have been submitted and (b) any additional required reports and assurances as described below have been received.**
 1. In the event it is determined that any part of an award has been used for improper purposes and the recipient has not previously misused awarded funds, AEF will endeavor to take all reasonable and appropriate steps either to recover

the diverted funds or to insure restoration of such funds by the recipient. Any further payments to such recipient will be held in abeyance until (a) such recipient gives reasonable assurances that such future diversions will not occur, and (b) if applicable, such recipient agrees to undertake extraordinary precautions to prevent future diversion from occurring. In addition, such recipient will be required to give reasonable assurances that any other award funds held by him or her will be used consistent with the foregoing requirements.

2. In the event that a recipient has previously misused awarded funds and it is determined by AEF staff that all or any part of an award has again been used for improper purposes, AEF will again take all reasonable and appropriate steps either to recover the diverted funds or to insure restoration of such funds by such recipient. All further payments to such recipient will be held in abeyance until (a) such funds are in fact so recovered or restored, (b) such recipient gives adequate assurances that future diversions will not occur, and (c) if applicable, such recipient agrees to undertake extraordinary precautions to prevent future diversions from occurring. In addition, such recipient will be required to give adequate assurances that any other awarded funds held by him or her will be used consistent with the foregoing requirements.
3. If need be, legal action may be instituted by AEF to recover misused award funds. However, this remedy need not be availed of if such legal proceedings would in all probability not result in the satisfaction of execution on a judgment.

C. Disqualified Persons Not Eligible to Receive AEF Awards: AEF awards will not be made to relatives of Board members or any Committee of the Board authorized to select award recipients. For the purposes of this limitation, the term “relatives” shall include only a Board member’s spouse, ancestor, lineal descendant (by blood or adoption), and the spouse of a lineal descendant.
